## Serving Residents

### MISSION

Renville County's mission is to keep and enhance the quality of life for our family of citizens through services, stewardship of resources and shared responsibility.

### VISION

Renville County Government envisions a vibrant governmental culture which supports a progressive employee environment through education, training, compensation, and a positive work experience.

We shall provide quality services at a reasonable and prudent cost to the citizen.

We shall efficiently and appropriately apply our resources including, but not limited to, technology, telecommunications, transportation, personnel, buildings, equipment, and fiscal resources.

We envision an organization with some decentralized services to the benefit of our customers. We promote governmental partnerships and alliances which nurture and support the creation of Renville County as a "neighborhood."
