Comments and Suggestions?

- Please consider an ATV park and or trails.
- Your improvements are putting State Parks to shame. Keep up the great work.
- Jesse and his crew do a great job of keeping the parks clean and accessible.
- I think the new dump station at Birch Coulee is GREAT!
- Very friendly helpful staff. Nice place to visit several times a year.
- Just Skalbekken trails a little better maintained. Some where pretty rough and we couldn't really tell where the trail went. Best trail map used around here.

Comments and Suggestions?

- Camper cabins would be great! I would definitely spend a few weekends at one!
- The parks are amazing. We spend a lot of time driving the river bottom and we always stop at the parks. We love to walk on the trails. And my kids love to see all the flowers. Suggestions- A small playground at the parks. But overall you guys are doing an amazing job at keeping the parks kept up and nice. Thank you for all your hard work.
- Birch Coulee- more spots to camp. We can't even fit our whole family since there is no camping on the bottom and limited spots.
