

If you are a close contact* of someone who tested positive for COVID-19

You CAN'T test your WAY OUT of Quarantine

*Someone who has been closer than six feet for 15 minutes or longer to a person who tests positive.

REMINDER: COVID-19 has a 14-day incubation period. This means symptoms can show up and spread any time during those 14 days.

YOU MUST STAY HOME to keep your neighbors and community safe.
